

FY-12 ACADEMIC COMPUTING AND ELECTRONIC COMMUNICATIONS

Approved by SenEx: 6/20/2011

Approved by University Senate: 9/8/11

- For further information or to schedule a meeting with SenEx to discuss charges or the committee's work, contact SenEx chair Megan Greene at mgreene@ku.edu. (*Note: Be sure to use this email address; there are two "Megan Greene" in Outlook*)
- Please send minutes of each meeting to University Governance, at govern@ku.edu, for posting to the Governance web site.
- Please send recommendations for changes to the University Senate Code, the University Senate Rules and Regulations, and the Faculty Senate Rules and Regulations as early in the academic year as possible. Because of the waiting periods involved in changes to these documents, recommendations proposed after spring break may remain pending the following fall semester.
- Please send a report of the committee's actions on each of the charges, as well as any recommendations the committee wishes to make concerning charges or membership for the following academic year, to University Governance, at govern@ku.edu. Please include the names of committee members and submit the report by April 1, 2012. If the committee still expects to conduct business after April 1, please submit a report by April 1 and later submit any addenda that may be appropriate.

Standing charges:

1. Monitor current and proposed policy concerning security of information, intellectual property rights and responsibilities, and other matters relating to information technology. Identify issues for which policy should be developed or revised. Report issues and any recommendations for action to SenEx. (ongoing)

Specific charges:

1. Continue to monitor the development of the "Initiative One" strategic program. Report issues or recommendations for action to SenEx. (ongoing)
2. Monitor implementation of the central file storage system. Please report action on this charge by 3/1/12.
3. Communicate with KUCR and any other relevant entities to consider the development of policy on the management and archiving of research data, including all data relevant to human subjects research (consent, privacy, confidentiality, anonymity). Please report action on this charge by 4/1/12.
4. Become familiar with the responsibilities of new IT leadership.
